

# MR16 3\*1w LED Spot Light

[MR16 3\\*1w LED Spot Light](#)

## MR16 3\*1w LED Spot Light

Input voltage: 12V AC/DC with reversed polarity protect

Output power: 3.0w

Total length: 52mm (including pins)

Beam angle: 50degrees, 70degrees, 100degrees

Reflector efficiency: 90%

Body temperature: less than 53 degrees

LED input current:1A

Available in cool white, warm white, blue, green, yellow, red

Net weight: 55g

Aluminum housing
