

# MR16 7\*1w LED Spot Light

[MR16 7\\*1w LED Spot Light](#)

## MR16 7\*1w LED Spot Light

Input voltage: 110/220V AC/DC with reversed polarity protect

Output power: 7w

Luminous intensity: 350-450LM

Total length: 52mm (including pins)

Beam angle: 45degs

Reflector efficiency: 90%

Body temperature: less than 53 degrees

LED input current:1A

Available in cool white, warm white, blue , green , yellow. Red

Net weight: 55g

Aluminum housing
